

Chapter 11 -Section 11.4

Electronics Communications Program

Policy:

It is the policy of RWA to encourage Association members to agree to communicate by electronic methods. While not mandatory, every homeowner is requested to participate in this money saving and efficient process. If a homeowner does not have access to electronic communication capability, RWA will send important communications by regular mail.

Procedure:

This sign up form will be included in every new homeowner package. It may also be included with other mailings to existing homeowners and included with regular mailings to those who do not yet communicate electronically. The mailing list, including authorized emails, shall be kept current by the Association Staff.

This form may be returned by email to manager@rotondawest.org or by regular mail or in person to the RWA Offices.

Please include the following information before submitting the form. A return email without written signature will be taken as approval from the home owner to participate in this process:

_____	_____
Account Numbers	Property Address
_____	_____
Account Numbers	Property Address

Email address	

Telephone Number	

I wish to participate in the RWA Electronics Communication Program and receive all communications eligible for this process.
