

Chapter 11 - Section 11.8

WORKING WITH ENTITIES OUTSIDE THE ASSOCIATION

POLICY: The Board of Directors of the Rotonda West Association recognizes that there are other entities (local groups and organizations as well as county, state and federal agencies) whose statutes, regulations and funding could be of benefit to or impact on the Rotonda West community.

Therefore be it resolved that the Rotonda West Association's Board of Directors endorses and supports the establishment of processes and procedures which promote ongoing relationships with outside entities for the purpose of fulfilling the Rotonda West Association's Mission.

PROCEDURES:

- A. The Rotonda West Association Board of Directors will keep itself informed and up to date on the existence and functioning of outside entities that have an impact on the Rotonda West Association and community.
- B. Where appropriate the Rotonda West Association Board of Directors will disseminate this information about these outside entities and encourage participation by the Association's membership.
- C. Where appropriate the Rotonda West Association Board will initiate actions with or respond to requests from outside entities that coordinate projects and/or services that support and benefit the Association and its membership.
- D. The Rotonda West Association will maintain a presence in the greater geographical area through representation and/or membership in area service organizations and agencies such as the Chamber of Commerce, Municipal Service Benefit Units, etc.
